Sauget, IL 62201

First Response received on 7-3-00. Richard Ashby stated that the SNL was inadvertently signed for an employee of the Big River Zinc Corp. Second response received on 7-11-00. Mr. Ashby explains the incorporation of the Company in 1995 in Delaware as Korea Zinc Company. The name was eventually changed to the Big River Zinc Company in 1996. **The Big River Zinc Corporation purchased the assets of The Big River Zinc Corporation in April 1996.** States the present Big River Zinc Corporation did not anything to the Sauget Site and since the site ceased operation in 1978, the present Big River Zinc Corporation was not in existence prior to 1995. **This Company should be further investigated based on this most confusing response.**
